

A Message from Marina

July 2019

Dear Neighbor,

It finally feels like summer! My family and I have already attended Chill on the Hill and the Farmer's Market —now we just need to head out to one of great Milwaukee County Pools. Check out the schedule in this e-newsletter!

Speaking of families, I'm so happy that my family friendly legislative policies were unanimously approved recently at the County Board. Please read more about my legislation to provide doula birth companions to mothers in need and our new, safe parks pesticide policy. I was proud to stand with our immigrant community last week as we opposed the separation of families that has been threatened by our President.

Please share the information on where children can eat free meals this summer in Milwaukee and I can't wait to see you in our neighborhood!

SAVE THE DATE

(Details on all events inside)

June 3: First Day for Fathoms Below exhibit at the Domes

June 4: First Chill on the Hill! Full Chill schedule inside

June 15: South Shore Farmers' Market returns

July 4: Humboldt Park Parade

July 11: County Free Day at MPM, MAM, and the Domes!

August 17: IndiaFest at Humboldt Park

Milwaukee County Updates

County Board Unanimously Funds Doula Services to Support Women's Reproductive Health

In late May Supervisor Dimitrijevic asked her colleagues on the Milwaukee County Board to vote for her resolution to fund a city-county pilot doula program to improve maternal and child health outcomes. The Board of Supervisors voted unanimously to allocate \$52,000 for doulas, or birth companions, to improve birth and maternal health in the 53206 Zip Code. The proposal from Supervisor Dimitrijevic will fund doula services for eligible women through the City of Milwaukee's health department, which will administer the program. Special thanks to advocates and doulas from Maroon Calabash, DONA, and the African American Breastfeeding Network for being generous with their emotional and intellectual labor as we strive to create the best program for birth workers, moms, and babies.

“Milwaukee County and the City of Milwaukee should be proud that we are ahead of the curve when it comes to supporting women's health, and reproductive health in particular. Everyone deserves access to quality, affordable health care, and this program funds birth support for mothers who need it most,” said Dimitrijevic.

The action marks a significant step towards improving maternal health and addressing racial disparities with public funding for women's reproductive health care. She is excited to see how the program develops and hopes it someday expands to provide birth support to thousands of women. You can [view her speech](#) to the County Board about how the project came about.

Funds from Milwaukee County will go to pay doulas directly for their services. The City of Milwaukee will fund the administration of the program, and evaluate its effectiveness.

The city's job listings for both Doula Manager and Doula can be found [here](#).

Milwaukee County Updates

County Board Votes Unanimously in Favor of County Parks Pesticide Use Policy

Constituents frequently contact Supervisor Dimitrijevic's office to inquire about chemicals being sprayed in or near our public parks. As a mother of young children, she shares constituents' concerns about the use of chemicals where our families eat, play, and work, especially since courts have ruled that some pesticides cause health problems.

She was pleased to partner with Supervisors Steven Shea and Jason Haas to ask the Parks Department to develop a comprehensive, publicly available policy on chemical use in our Parks.

The County Board unanimously backed the resolution, and the new policy will be available in the coming months. Thank you

to all who reached out for this policy change, and please continue to call or write the office with your concerns.

“Many concerned mothers and neighbors living near county parks have contacted my office about the use of pesticides, like Monsanto’s Roundup. As a mother of young children, I share these concerns, especially since courts have ruled that these pesticides are causing health problems. It’s time for Milwaukee County to have a clear, easy to understand policy that demonstrates our commitment to safe parks for everyone,” said Supervisor Dimitrijevic.

It's time for Milwaukee County to have a clear, easy to understand policy that reflects Supervisor Dimitrijevic's commitment to safe parks for everyone. There is more news coverage [here](#) and [here](#).

Milwaukee County Updates

Supervisor Dimitrijevic Stands with Immigrants

Supervisor Dimitrijevic joined community members for a rally in support of immigrant families outside of the US Customs and Immigration Services Field Office on Monday afternoon.

She released a statement Monday expressing her support for keeping families together and opposing raids by Immigrations and Customs Enforcement.

Photo by Susan Ruggles

“Milwaukee County has adopted clear policies aimed at keeping all families together. We have opposed 287(g), ensuring that local law enforcement dedicates taxpayer resources to public safety rather than dividing our community, and we declared our county a sanctuary. We are not intimidated by an overzealous executive branch of the federal government, and I look forward to participating in an inter-faith demonstration today against Trump's ICE raids. Milwaukee was built by immigrant labor and I will resist any effort to attack our immigrant community,” said Dimitrijevic.

In 2017, Milwaukee County adopted a [policy](#) opposing section 287(g) of the U.S. Immigration and Nationality Act, which authorizes the federal government to deputize certain local law enforcement officers to enforce federal immigration law, in February of 2017.

The policy was proposed by Supervisor Dimitrijevic.

Milwaukee County Updates

Welcome Back, Chill on the Hill!

Chill on the Hill is an impressive collaborative effort between the Bay View Neighborhood Association and Milwaukee County Parks. BVNA is always seeking more volunteers each week at Chill on the Hill -- it's a satisfying and fun experience to be part of this summer music tradition! You will be the face of the Bay View Neighborhood Association at our booth, sell some merchandise, answer questions, set up the booth, take down the booth, and maybe even help lift some heavy things! You help make each Tuesday night safe and comfortable for our community!

If you'd like to volunteer, reach out to them at bvnavolunteer@gmail.com.

Summer Meals Program Sites Released

In a city where one in four children go to bed hungry, summer is the peak time for childhood hunger. The Milwaukee Summer Meals Program serves free meals to all children attending thanks to the United States Department of Agriculture (USDA), the Wisconsin Department of Public Instruction (DPI) and local partners such as Kohl's, the Social Development Commission (SDC) and the Milwaukee Center for Independence (MCFI.)

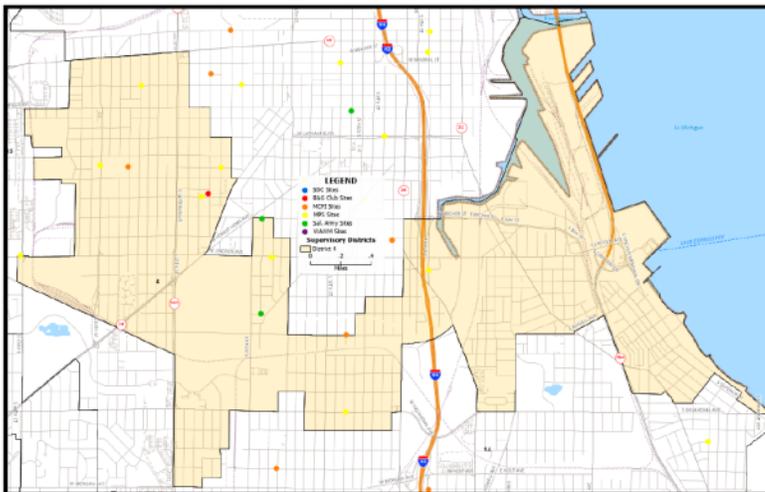

The summer meal program requires extensive collaboration with local non-profits, sponsors, school districts, meal providers, and county services. The services brought to children throughout the summer are incredibly important, and ensure our city's children return to school healthy and ready to learn.

Supervisor Dimitrijevic: 4th District

Summer is the peak time for childhood hunger. Through the Summer Meals program, kids 18 and under can receive meals this summer at supervised locations like schools, parks, and community centers throughout Milwaukee.

To find your nearest location, pick one of three ways:

1. Dial 2-1-1
2. Text "FOOD" to 877-877, or "COMIDA" to 877-877 for information in Spanish
3. Visit impactinc.org for meal times and locations closest to your zip code.

The map above shows your District shaded with summer meals sites color coded by meal sponsor. A list of summer meal site addresses is on the next page.

To locate your closest summer meal site, you may:

1. Dial 2-1-1
2. Text "FOOD" to 877-877, or "COMIDA" to 877-877 for information in Spanish
3. Visit impactinc.org for meal times and locations closest to your zip code.
4. Locate a familiar site on the list printed on the next page.

June 1-September 8

Free with General Domes Admission

Explore a summer garden inspired by the depths of the ocean. Colorful fish sculptures swirl around plants resembling those found on the ocean's floor. A variety of bright succulents and vivid 'Under the Sea Series' coleus add to a decorative coral reef and sunken ship.

The show runs daily, June 1 through Sept. 8, 2019. HOURS: Monday - Friday: 9 a.m. - 5 p.m.; Saturday, Sunday, Holiday: 9 a.m. - 4 p.m. *Schedule subject to change.

The Vine Hosts "Yoga and Wine" Series

Wednesdays through August 28

\$20 a session, includes a glass of wine

[Tickets available here](#)

Humboldt's Park new beer garden that features wine and empanadas (as well as selected taps of beer) has received a warm welcome from residents.

The Vine invites you to join them this summer for "Wine" Down Wednesdays at the Vine. Enjoy an hour-long, no experience needed yoga class followed by a glass of wine and community!

25% of the net proceeds from each session benefits The Park People, the Parks' Friends group that maintains and keeps the park in tip-top shape for us all to enjoy.

They recommend that you arrive early, 10-15 minutes or so, to get checked in, set up your mat, and settle in. Removable layers are advised as it does heat up as the fun takes off!
